Bumi Armada Berhad Honoured with Inaugural 'Highest Returns to Shareholders Over Three Years' Award at The Edge Billion Ringgit Club Corporate Awards 2023

KUALA LUMPUR, October 23, 2023 — Bumi Armada Berhad, a Malaysia-based offshore energy facilities and services provider, is proud to announce that we have been awarded the prestigious 'Highest Returns to Shareholders Over Three Years' recognition for the first time at The Edge Billion Ringgit Club Corporate Awards 2023. This remarkable achievement underscores Bumi Armada's commitment to excellence for its unwavering dedication to delivering values to our shareholders.

The Edge Billion Ringgit Club Corporate Awards is an annual event which honour the best-performing businesses in Malaysia. The 'Highest Returns to Shareholders Over Three Years' award is an acknowledgment to Bumi Armada's outstanding performance and its steady improvement in providing value to our shareholders over the years and recognition of our corporate responsibility program.

The award not only recognises Bumi Armada's financial performance but also acknowledges its contribution to the growth and development of Malaysia's energy sector. Our innovative solutions, commitment to sustainability, and strong leadership have contributed significantly to our success.

As a responsible corporate steward, Bumi Armada is dedicated to sustainable business practices, environmental and social responsibility. We have consistently strived to align our operations with the United Nations Sustainable Development Goals and continues to invest in research and development to reduce environmental footprint.

Bumi Armada Berhad is grateful for the trust and support of its shareholders, partners, employees, and stakeholders. We will remain committed to delivering exceptional values and maintaining our reputation as a trusted industry leader.

Congratulations, Bumi Armada!
