

Celebrating Double Triumph for Bumi Armada Berhad at the 8th Global Good Governance Awards 2023

We are thrilled to share some great news – Bumi Armada Berhad has shone once again on the global stage by winning not one, but TWO prestigious awards at the 8th Global Good Governance (3G) Awards 2023, held on May 8th at the magnificent Conrad Hotel in Dubai.

3G Excellence in ESG Practices Award 2023: This recognition highlights our dedication to incorporating environmental, social, and governance (ESG) factors into our corporate strategies and daily operations. We are committed to sustaining the highest governance standards, reducing our negative impact on the environment, and promoting social responsibility.

3G Leadership in Sustainability Reporting Award 2023: We are proud of our extensive and transparent reporting on sustainability. This award recognizes our efforts in telling our sustainability story to stakeholders in an engaging way. We want to raise the bar for our peers in business and maintain a culture of open and transparent communication.

These prestigious awards not only reflect our dedication to ethical governance, sustainable practices, and impactful reporting but also encourage us to keep raising the bar for excellence. We are grateful for the consistent support of our hardworking employees, esteemed partners, and stakeholders. To pave the path for a more promising and sustainable future, Bumi Armada is committed to establishing the standard for responsible energy solutions.
