

Bumi Armada Berhad won two prestigious awards at the 9th Global Good Governance Awards 2024

We are thrilled to announce that Bumi Armada Berhad has been honoured with two prestigious ESG awards at the 9th Global Good Governance Awards, held in Manila, Philippines on April 29th, 2024!

We are proud to receive the "3G Excellence in Green Innovation and Solutions Award 2024" in recognition of our commitment to driving innovation in sustainable practices within the offshore energy industry. This award reaffirms our dedication to developing and implementing green solutions that minimise our environmental impact while maximising efficiency.

Additionally, we are humbled to have earned the "3G Best Sustainability Reporting Award 2024". This award underscores our transparency and accountability in reporting our sustainability initiatives and performance. At Bumi Armada Berhad, we believe in the importance of clear and comprehensive sustainability reporting to drive continuous improvement and stakeholder engagement.

Bumi Armada was represented by Sarimah Talib, our Vice President of Sustainability and External Relations, to receive the award on stage. These awards are a testament to the hard work and dedication of our team at Bumi Armada Berhad. We are committed to upholding the highest standards of corporate governance and sustainability in all aspects of our operations.

We extend our gratitude to the Global Good Governance Awards for recognising our efforts and providing a platform to showcase best practices in sustainability and corporate governance. We are honoured to be among the esteemed recipients and will remain steadfast in our commitment to making a positive impact on the world.
