

Bach Khoa Innovation Award 2024

On 12th October 2024, BAB sponsors the first prize winner for the best group innovation project for the Bach Khoa Innovation 2024 which took place at Ho Chi Minh City University of Technology. This initiative supports our commitment to empowering young talent and aligns with SDG 4 - Quality Education. The competition attracted 91 teams, divided into three categories: university students, startups and high school students. Vice President of Sustainability and External Relations, Ms. Sarimah Talib presented the awards on behalf of Bumi Armada Berhad.
