

Global CSR Excellence Award (FPSO/FSRU Category)

We are truly humbled and honoured to share that Bumi Armada has been recognised with the Global CSR Excellence Award (FPSO/FSRU Category) at the 28th Offshore China (Shenzhen) Convention & Exhibition 2026, organised by CDMC.

The award was proudly received on behalf of Bumi Armada by Sarimah Talib, Vice President of Sustainability & External Relations, reflecting the Group's continued commitment to integrating sustainability and responsible business practices into our operations while creating long-term value for our stakeholders and the communities in which we operate.

As a leading FPSO operator, we believe that sustainable growth goes hand in hand with environmental stewardship, social responsibility and strong governance. Presented by CDMC, a leading platform connecting the global offshore energy community, this recognition places Bumi Armada among internationally recognised offshore industry players and underscores the importance of collaboration and innovation in building a more sustainable and resilient future for the industry.

We extend our sincere appreciation to the organisers of Offshore China 2026 for this honour, and to our employees, partners and stakeholders whose dedication and unwavering support have made this achievement possible.

Together, we remain committed to powering progress responsibly and delivering sustainable value for generations to come.
