

# Young and Adult Education (Alphabetisation) of Benzegulo Community

On 24<sup>th</sup> October 2025, our Angoil Bumi JV in collaboration with the Institute National of Petroleum (INP) and the Ministry of Education, supported a Young and Adult Alphabetisation Programme in the Benzegulo community, Sumbe, benefiting approximately 120 learners.

The programme aims to strengthen essential literacy skills that enabling the participants to read, write, understand and communicate more confidently while building their capacity to interpret information, creating idea and problem solving. This initiative reflects our commitment to environmental stewardship and aligns with the United Nations Sustainable Development Goals (SDGs), particularly with SDG 4 - Quality Education.
